ReCocovive

# Innovation rooted in wisdom

## *Ayurvedic cosmetic ingredients*

Unlock the secrets of Ayurveda - the ancient Indian science behind a new generation of natural, high-performance beauty products.

Our innovative ingredient blends combine years of wisdom with modern studies to deliver proven results. Each plant-powered complex features time-tested botanicals, rooted in a rich heritage of classical Ayurvedic formulations.

Welcome to the future of wellness, reimagined.

*Natural, vegan  
& zero waste  
blends*

## *Sustainable sourcing*

Beyond product performance, we're committed to social responsibility and sustainability. In addition to embracing a zero-waste philosophy by reusing any leftovers from ingredient production, we source our materials from small-scale Indian farmers and women-led self-help groups, empowering local communities.

# What is ReCocovive?

*Skin Healing Cosmobotanical*

ReCocovive is a brilliant blend of two wholesome herbal extracts having superior healing, antioxidant, and anti-inflammatory properties.

ReCocovive, combined with goodness of Coconut and richness of Moringa olifera, helps in deep treatment to nourish dry and cracked skin, replenishing lost moisture and strengthening the skin barrier to retain it.

It has an unmatched safety profile as its ingredients have been used as dietary sources for centuries across the continents.

# Ingredients

## *Coconut*

INCI name - Cocos nucifera fruit extract

Ayurvedic name - Shri phal

### *Benefits:*

- Anti-microbial, and anti-fungal properties preventing infection
- Antioxidant properties help in lightening the blemishes and make an even skin tone
- Helps detoxify skin and reduce acne outbreak
- Helps soothe and hydrate dry skin
- Wound healing, collagen rejuvenating, anti-inflammatory, and anti-aging properties

## *Drumstick Tree*

INCI name - Moringa oleifera leaf extract

Ayurvedic name - Shobhanjan

### *Benefits:*

- Rich source of flavonoid and phenolic compounds making it a potent natural antioxidant
- Superior free radical scavenging and superoxide reduction properties contribute to the reduction of oxidative stress in cells and increase their longevity resulting in slowing down process of aging and reducing its visual signs i.e. wrinkles and fine lines
- Anti-microbial effect helps preventing acne outbreak
- Anti-inflammatory properties help reduce micro scarring and make skin looks smoother and firmer
- Helpful in reducing dark spots and blackheads

# Functions & Benefits

- Helps in skin's healing process
- Anti-inflammatory property further aids improvement
- Helps protect skin from oxidative stress
